

## READERSHIP INFORMATION SESSION

Most people considering a career at the Bar have questions about what experience is required, what steps need to be taken before starting, and what to expect from their first year as a Reader and beyond.

Eleven Wentworth will be hosting a Readership Information Session where these questions will be answered. Christian Bova SC, Zelig Heger, Daniel Farinha and Hannah Ryan will offer their perspectives on coming to the Bar and the opportunities and support offered to readers on Eleven Wentworth. While the session is primarily designed for those who are considering applying to Eleven Wentworth, the session will be useful for anyone contemplating a career at the Bar.

### **About Eleven Wentworth**

Eleven Wentworth is one of Australia's leading barristers' chambers, whose members practice throughout Australia in all areas of commercial law and public law. They are frequently retained in complex, high-stakes, or sensitive matters on behalf of individual, corporate and government clients.

Eleven Wentworth fosters a friendly and collegiate working environment for its readers, barristers, and staff. It has implemented policies to ensure that the Floor remains a safe and supportive workplace for all, including on parental leave: see <https://elevenwentworth.com/policies/>

Readers are appointed annually from among the most accomplished and promising lawyers around Australia. The Floor usually seeks to appoint two readers for each May intake and will occasionally appoint one reader for the September intake. Applications for positions commencing May or September 2026 should be made by 5pm on 2 December 2024, addressed to the Clerk, Zach Rymer, at [clerk@elevenwentworth.com](mailto:clerk@elevenwentworth.com).
